

How to make an origami shirt:

①  FOLD IN HALF, THEN UNFOLD.
* PLEASE NOTE: THIS PATTERN CALLS FOR A RECTANGULAR PAPER, NOT A SQUARE.

②  FOLD SIDE EDGES INTO THE CENTER.

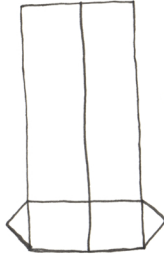

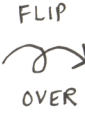

③  FOLD TOP LAYER FLAPS OUT TO MATCH THE SIDE EDGES.

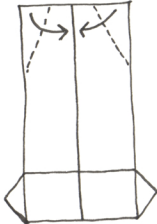

④  FOLD UP THE BOTTOM SO THE CREASE IS WHERE THE FLAPS STOP.

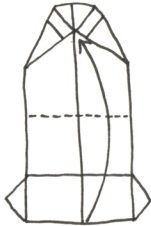

⑤  REACH INSIDE AND PULL OUT CORNER ON BOTH SIDES, SO IT LOOKS LIKE THIS:

⑥ TUCK THE CORNERS IN ALONG THE CREASE LINES. THE CORNER DISAPPEARS INSIDE ITSELF.

⑦ NOW IT LOOKS LIKE THIS:  FOLD END DOWN.
FLIP OVER 

⑧ FLIP OVER AGAIN. FOLD CORNERS IN. 

⑨ FOLD UP BOTTOM AND TUCK UNDER COLLAR FLAPS. CREASE BOTTOM. 

⑩ TA DA!
